

Please Respond: Butte Fire Survey

Our community recently endured a frightening wildfire. Its impact will last for years. As county supervisor for District 3, I want to support the community in our recovery and ensure we are prepared for the future: It's very important that we learn from the Butte Fire.

As a first step, I want to learn from you. Please help by completing and returning the attached survey postage paid postcard. I will use your comments to help improve community incident planning and response.

Many of you helped Amador and Calaveras Counties respond to the Butte Fire and your neighbors in need. Thank you for your generosity and kindness. You are what makes our community a special place to live.

Sincerely,

Lynn Morgan
