

**STATEMENT OF CANDIDATE FOR
AMADOR COUNTY SUPERVISOR DISTRICT 2**

RICHARD M. FORSTER

Education and Qualifications: I am honored to serve as your District 2 Supervisor, and I am proud of what I have been able to accomplish. I have represented the district by listening to the concerns of all people by attending meetings and events and interacting with residents, many who have become good friends. Besides my family, my constituents and their concerns are most important. I can't agree with everyone all the time, but I respect all people and make decisions based on what I feel is best for our district and our county.

I am especially proud that Amador County has had balanced budgets each year that I have served on the Board of Supervisors. During these difficult times, I was able to support projects that helped create employment and opportunity in our community while honoring the historical values that have existed in District 2 for generations.

Currently, I serve as President of the 58 County State Association, which has brought important recognition to our county. I have many years of service to our community on the lone Business Association, lone Rotary, Native Sons, Sutter Amador Hospital Foundation Board, and Preston Castle Foundation.

I ask for your support for continued responsible leadership.

**STATEMENT OF CANDIDATE FOR
AMADOR COUNTY SUPERVISOR DISTRICT 2**

AMBER HOISKA

Education and Qualifications: Amber Hoiska, 37, thirteen-year resident of the City of lone, twenty-year career managing financial risk for Caterpillar, Hewlett-Packard and Roofing Supply Group. Worked in construction for twelve years helping to save several family roofing businesses who would not have made it through the financial crisis without my advocacy. Current Planning Commissioner, current nonprofit Treasurer, former Director of nonprofit. My husband of ten years is a USMC veteran and we have two children attending local schools. I have spent many years volunteering to support and empower families in Amador. New leadership is now needed in District 2 and my advocacy and financial expertise offer a perspective that is in line with the values of our residents.

My focus includes economic development and healthcare expansion to attract the residents and businesses that will continue the vision of our cities. I have developed strong working relationships with city officials and believe in financial integrity, transparency and allowing our citizens to use their voice and their votes. We need to better represent our unincorporated towns, as residents have important input that deserves great consideration and greater outreach. I am humbled and honored to ask for your vote to serve Amador as Supervisor.
