

**STATEMENT OF CANDIDATE FOR  
AMADOR COUNTY SUPERVISOR DISTRICT 4**

**LOUIS BOITANO**

**Education and Qualifications:** I am proud of my service as your District Four Supervisor. During my terms in office the Board has worked to successfully maintain Amador County's longstanding tradition of operating within its means, despite historically hard economic times. I support a balanced budget.

The unique rural beauty and historic heritage we enjoy in Amador County are precious assets I have worked hard to protect. I support projects that create job opportunities in our local resource -based economy.

I have over four decades of active community service and leadership and have been a tireless advocate for District Four. I have demonstrated my commitment by funding public safety, fire safety, emergency services, senior and veterans outreach. It is my honor to serve as your District Four Supervisor. A vote for me will ensure the continuation of the policies that have kept Amador County on a debt free course.

**STATEMENT OF CANDIDATE FOR  
AMADOR COUNTY SUPERVISOR DISTRICT 4**

**GWEN CLAYTON**

**AGE: 46**

**Occupation:** Administrative Assistant/Writer

**Education and Qualifications:** I decided to run for County Supervisor because I've seen how small businesses struggle to keep their doors open, and how difficult it is for families to pay their bills.

I'm a former single mom who raised a daughter here while earning my Bachelor's degree in Public Administration and working multiple jobs to put food on the table.

Now the proud wife of a retired Army Staff Sergeant, I'm committed to ensuring our large veteran population receives the services they deserve. While my husband, Eddie deployed to Afghanistan, I served as the Family Readiness Group leader for his troop here at home, so I understand the hardships military families endure.

For the past nine years, I have worked for the County in various departments and have seen where we need to make improvements in government transparency, communication and efficiency. I am also a freelance writer and publicist, so I know how to effectively promote our region.

Together we can move this county into the future by empowering working families, veterans and small businesses to ensure economic recovery while maintaining Amador County's unique identity.

I ask for your vote June 7th.

**STATEMENT OF CANDIDATE FOR  
AMADOR COUNTY SUPERVISOR DISTRICT 4**

**FRANK AXE**

**AGE: 55**

**Occupation:** Teacher/Manager/Business Owner

**Education and Qualifications:** I want to actively represent you on the board of supervisors to help find a path to prosperity, good jobs, and a strong economy that also protects what is unique about this place we love: Our rural character, scenic beauty, and small-town quality of life.

We have seen our county government in action over the last decade. Too often, our supervisors work to benefit narrow interests at the expense of the rest of us. It's long past time for that to stop. If we work together, we can do better.

You deserve a county supervisor who is a voice for inclusion, civility, and respect, welcoming ideas from everyone, regardless of how long you've lived here, your political party, or who your family may be. I want to be that voice.

I have succeeded as an industry team leader, product developer, community college teacher, father and husband because of my leadership and listening skills, problem-solving expertise, and critical-thinking abilities. I know how to work effectively with citizens and staff to produce the results Amador County so richly deserves.

I respectfully ask for your vote. Please see [www.axe4d4.com](http://www.axe4d4.com) for more information or call me at (209) 348-9969.

Thank you,

Frank Axe
