

Airport Land Use Commission

810 Court Streets

Jackson California 95642-9534

RECEIVED

DEC 11 2017

**AMADOR COUNTY
PLANNING DEPARTMENT**

Attached is a list of Property in which I own at least 50%.

I assume these parcels will be affected by adoption ALUCP .

I would like to know how it will affect each parcel if adopted .

I would like to know if I will be compensated for the loss of my rights.

I would also like to know if there is any height restriction on aircraft using Westover Field - specifically the motorized hangs gliders that have disturbed my cattle.

One of my main concerns is the Wildlife Hazard Attractant Zone.

I currently irrigate some of my property and plan to expand this use.

What process would I have to follow in order to expand my irrigated area and what would be the cost?

John Kirkpatrick
