

**STATEMENT OF CANDIDATE FOR
AUDITOR-CONTROLLER**

Tacy Oneto Rouen, Age 42

Occupation: County Auditor-Controller/CPA

I am proud to have served as your County Auditor during the last three years, and I would genuinely appreciate your continued support. As Auditor, I brought a fresh perspective and new ideas to the county. I stream-lined several county processes and am updating accounting software to ensure better efficiency.

Our county faces many challenges, such as substantial increases in CalPERS costs and the need to improve our roadways, but we must strive to maintain services while meeting our financial obligations. My experience as a Certified Public Accountant has proved that I possess the qualities necessary to address those challenges.

As your Auditor, Amador County's financial success is my top priority. I will continue to defend taxpayers' interests and advocate that public funds be used efficiently, appropriately, and effectively. Honesty is imperative to making knowledgeable and fiscally sound decisions and recommendations, as transparency and fiscal responsibility are of the utmost importance to me.

I am a proud wife, mother, and 5th generation Amador County resident. I care deeply about our community's success, and the effects of decisions made today on future generations.

I would be honored to have your vote.
