

**STATEMENT OF CANDIDATE FOR
JUDGE OF THE SUPERIOR COURT, OFFICE #2**

Renée C. Day, Age 55
Occupation: Superior Court Judge

I am the Assistant Presiding Judge on the Amador County Superior Court. I live and work in Amador County so I understand the issues that all of us, as a community, face every day. Many of us are noticing more homelessness, property crimes and untreated mental health problems. These issues that we see on our streets and in our parks also come through the courthouse doors. I work with our court and community leaders to identify problems and find solutions.

I am also committed to programs that benefit children and families and I regularly speak to community groups on children's issues involving court proceedings.

As a judge with experience presiding over cases in all areas of the law, my decisions are fair, impartial and based soundly in the law. Your vote for me on June 5 is a vote for continued positive leadership in Amador Superior Court.
