

**STATEMENT OF CANDIDATE FOR
DIRECTOR, LOCKWOOD FIRE PROTECTION
DISTRICT**

Jolene Mittelstadt

I am a mother of twins and the wife of a Heavy Equipment Fire Operator with Cal Fire, who also was a Captain with Lockwood Fire for over 6 years. We have called Amador County our home for over 10 years now. I hold an AA Degree in Business Administration and a certificate in Paraprofessional Accounting. I was a bookkeeper for a large construction company for over 14 years where I was responsible for all financial aspects from banking to contract reviews. Previously, I volunteered as a member of the Board of Directors for Lockwood Fire Protection District, then served as Administrative Officer for Lockwood as well as the Treasurer for the department for over a year. During my previous time with Lockwood, I served on many committees such as Fiscal and Planning. Most currently I am volunteering as the treasurer for our local Youth Football League.

I believe I bring a great background of experience to the board, and trustworthiness. I plan to be fiscally responsible with taxpayer funds, and restore integrity back to Lockwood Fire Protection District. I have a passion for the fire service and I believe that I will be a great asset to the Board.
