DATE: March 12, 2019

FROM: Chuck Beatty, Planning Director

PROJECT: Request for a Use Permit (UP-19;2-1) to install a 116-foot-tall water tower design wireless communication tower with twelve 6-foot-tall panel antennae and associated tower and ground equipment.

Applicant: Epic Wireless Group, LLC on behalf of AT&T Mobility, LLC

Property Owner: Vicini Family Investments, LP

Supervisory District 5

Location: 3902 Highway 16, Plymouth, immediately opposite of the intersection with Old Sacramento Road (APN 001-150-015).

REVIEW: As part of the preliminary review process, this project is being sent to State, tribal, and local agencies for their review and comment. The Amador County Technical Advisory Committee (TAC) will review the project for completeness during its regular meeting on **Wednesday, March 20, 2019, at 3:30 p.m.** in Conference Room "A" at the County Administration Building, 810 Court Street, Jackson, California.

At this time staff anticipates that a Mitigated Negative Declaration will be adopted for the project per CEQA Guidelines. Additional TAC meetings may be scheduled to review a CEQA Initial Study, prepare mitigation measures and/or conditions of approval, and make recommendations to the Planning Commission at a later date. Notification of further TAC meetings and agendas will be made via the TAC email distribution list (contact planning@amadorgov.org to be added to the list).

**In accordance with Public Resources Code Section 21080.3.1, this notice constitutes formal notification to those tribes requesting project notification. This notification begins the 30-day time period in which California Native American tribes have to request consultation.
