

**NOTICE OF PUBLIC COMMENT SESSION  
REGARDING SHORT-TERM RENTALS**

Amador County is beginning the process of developing a short-term rental (STR) ordinance. The community is encouraged to get involved and provide input. This important effort will establish regulations for operating STRs within the unincorporated portion of the County.

An STR (often called a vacation rental) is a property that is rented for a short-term stay, typically less than 30 days. STRs can provide several economic benefits, including increased tourism, business revenues, and rental taxes. STRs can also have adverse environmental impacts including noise, traffic, and loss of available housing.

The public is invited to attend a special Planning Commission meeting on Tuesday, April 23, 2019, at 7:00 pm, in the Board Chambers at the County Administration Center, 810 Court Street, Jackson. The meeting will feature a brief presentation on STRs, and a public comment period to provide residents an opportunity to present comments and initial opinions on the effort. In addition to the meeting, the community has the opportunity to give input by sending comments to [planning@amadorgov.org](mailto:planning@amadorgov.org), calling 209-223-6380, or mailing comments to the Planning Department at the street address above.
