## **Amador Road to Recovery - Stage 2 Acceleration**

**Amador County, CA** – The Amador County Health Officer, in collaboration with the Emergency Operations Center (EOC), has compiled and submitted all required documentation to the State of California to attest to Amador’s readiness to move more quickly through Stage 2 of the State’s Reopening Roadmap. Guidance for local businesses has been developed and posted on the Amador Road to Recovery webpage:

<https://www.amadorgov.org/services/public-health/road-to-recovery/guidance-for-businesses>.

This guidance is to be implemented to provide a safe environment for both customers and employees. The attestation allows for the following additional business operations with social distancing and sanitizing measures in Amador:

- Dine-in service in restaurants
- In-store retail operations
- Destination retail including swap meets
- Childcare facilities
- Personal services including:
  - Pet grooming
  - Tanning facilities
  - Landscape gardening
- Outdoor museums and open space galleries

During Stage 2 gatherings are still not allowed. Amador community members should continue to take simple steps to reduce the spread of respiratory illnesses including COVID-19:

- Stay home if you are sick
- Regularly clean high-touch surfaces
- Limit the number of others you interact with outside your household
- When you go out practice social distancing, wear a face covering, and wash your hands as soon as possible afterward
