Amador County to Open COVID-19 Testing Site

Amador County, CA – Amador County Public Health in collaboration with the Emergency Operations Center is opening one drive-through community-based testing site at St. Katharine Drexel Catholic Parish later this week to expand COVID-19 testing for our community.

Amador's drive-through testing site will be open to pre-scheduled appointments starting June 4, 2020. Beginning today, Tuesday, June 2, 2020, individuals may make an appointment for FREE testing using Verily's Baseline COVID-19 Program online screener and appointment scheduling system found at: www.projectbaseline.com/COVID19. The mobile testing site is scheduled to be at St. Katharine Drexel Catholic Parish on every Tuesday, Thursday, Friday, and every other Monday. Visit the Verily appointment system to view available appointments days and times.

This testing site in Amador is open to anyone 18 years or older who would like to be tested, including non-symptomatic individuals. To make an appointment please visit the online appointment scheduler: www.projectbaseline.com/COVID19.

The new Verily Baseline COVID-19 mobile testing site is supported by the California Department of Public Health. If you have any questions regarding appointment registration, please visit the Verily website at www.projectbaseline.com/COVID19 or call Amador County Public Health Testing Helpline at: (209) 223-6676.
