I want to express my opposition to the purposed winery on muller rd. We don't want a increase in traffic in our small rural area. The real chance of impaired drivers on our roads that are not at all set up to handle this type of business. Please deny the purposed venue due to the adverse effects on our lives. Thank You for your time Jeffrey Cartwright [15874 Deep Cut Ct. Plymouth Ca. 95669](#)
