Attention: Amador County Planning Commission,

We are writing this letter to express our concerns about the proposed opening at 14920 Muller Rd of a Tasting Room/125 person Wedding Venue in our quiet community. It was our understanding that Willow Creek Ranch Estates is a residential community, not commercial.

21 years ago we moved back to Amador county to enjoy its small town charm. I grew up in Jackson and my family still lives here, Amador county is dear to my heart. We realize that growth is important to our community but smart growth that keeps its residents in mind is essential.

A Tasting Room/Wedding Venue in a quiet neighborhood like ours would only bring chaos to our community.

- * Too many cars driving on our already deteriorating roads.
- * People driving under the influence in our neighborhood full of families with kids and pets.
- * Willow Creek entrance is on a blind curve, accidents will surely happen.
- * The proposed Venue would have a dirt entrance, guest would be inclined to use the paved entrance from Carbondale that runs right through Willow Creek Ranch Estates.
- * Noise!! A lot of us moved to this area to enjoy the peacefulness of country life.

We are not opposed to opening Tasting Rooms/Wedding Venues but can we keep them out of residential areas. Would any of you want a Tasting Room opening up in your neighborhood??

Thank you for listening to our concerns,

Donny & Paula Soracco-Collins
