COVID-19 Case Count Update

Amador County, CA – Amador County Public Health confirms five additional COVID-19 cases in Amador County. Of these cases two are hospitalized. One is hospitalized out-of-county and another is hospitalized locally. Three of the cases reside in Jackson and 2 live in Pioneer. Three are close personal contacts of confirmed COVID-19 cases. One of the new cases reports exposure out-of-county. None of these cases are linked to the congregate setting case reported last week. The new cases include 4 females and 1 male, 1 pediatric case, 2 age 18-49 years, 1 age 50-65, and 1 over the age of 65.

Total cases in Amador to date = 45 cases.

Total hospitalized in Amador County = 1 case.

Total hospitalized out of county = 1 case.

Total active cases = 16 cases.

Total recovered to date = 29 cases.

Individual actions help slow the spread of this disease. Persons over age 65 and those with chronic health conditions that put them at higher risk for severe COVID-19 should continue to stay home as much as possible. All should avoid mixing with others outside your household. When you go out, wear a face covering. Avoid unnecessary travel. Stay home if you are sick. Stay home if you have symptoms and are awaiting test results.
