PROJECT: **Zone Change ZC-20;3-1**, Requesting to rezone a ±85 acre parcel from the "A," Agricultural Zoning District to the "AG," Exclusive Agriculture Zoning District in conjunction with the establishment of an Amended Agricultural Preserve. The request proposes the addition of ±85 acres to ±100 acres already enrolled under Contract 446. Resulting Amended Preserve would total ±185 acres. (APNs: 014-150-038, -039, and -040).

Applicant: Michael Collier
Supervisorial District 5
Location: 16427 Tyler Rd., Fiddletown, CA 95629

REVIEW: The Amador County Agricultural Advisory Committee reviewed the amended contract application on June 10, 2020 and found that the project is consistent with the terms of the California Land Conservation Act with the condition that the three parcels be merged into a single legal parcel prior to recordation of the amended contract. Amador County TAC found the application complete on July 1, 2020.

As part of the preliminary review process, this project is being referred to State, Tribal, and local agencies for their review and comment. The Amador County Technical Advisory Committee (TAC) will review the project's environmental document, proposed as a Notice of Exemption (NOE) under CEQA, during its regular meeting on July 22, 2020 at 3:00 p.m. in The Board Chambers at the County Administration Building, 810 Court Street, Jackson, California as well as via teleconference.

Notification of further TAC meetings and agendas will be made via the TAC email distribution list (contact planning@amadorgov.org to be added to the list).

Ms. Ruesel,

Caltrans appreciates to opportunity to review and respond to the application for Zone Change (ZC-20;3-1), where the applicant Michael Collier is requesting to rezone a ±85 acre parcel from the "R1A," Single-family Residential and Agricultural Zoning District to the "AG," Exclusive Agriculture Zoning District in conjunction with the establishment of an Amended Agricultural Preserve. The request proposes the addition of ±85 acres to ±100 acres already enrolled under Contract 446. Resulting Amended Preserve would total ±185 acres.

Based on the information provided on this project, Caltrans has no comment. If there are any future changes to the scope of work or developments on parcels of this project Caltrans would like to review those changes.

Kind regards,

Michael Casas
