August 17, 2020

Amador County Treasurer/Tax Collector Michael E. Ryan is reminding taxpayers that unsecured taxes for the 2020-2021 fiscal year are due and payable, and will become delinquent if not paid by 5 pm on Monday, August 31, 2020. State Law sets this delinquent date. Unsecured taxes are typically owed on boats, airplanes, business property, and possessory interests. After August 31, delinquent unsecured taxes will be subject to a 10% penalty. Additional penalties and fees will accrue if these taxes remain unpaid after October 31, 2020.

Ryan notes that payments may be made by mail sent to the Amador County Tax Collector, 810 Court Street, Jackson, CA 95642, and must be **postmarked** by August 31, 2020 in order to avoid late penalties. For the convenience of taxpayers, a payment drop box is located on the outside wall of the alcove to the immediate left of the main entrance to the Amador County Administration Center, 810 Court Street, Jackson. Additionally, payments may be made with a credit card or debit card over the telephone by calling 1-800-609-4599. Credit card, debit card, and e-check payments may also be made over the Internet by visiting the web sites shown on your tax bill. There are additional fees associated with payments by credit card, debit card and e-check. At this time, the Tax Collector's Office is requesting that taxpayers not make in-person cash, credit card or debit card payments. Instead of cash payments, please use a personal check or obtain a cashier's check or money order and mail timely.

Any questions regarding unsecured property taxes should be addressed to the Amador County Tax Collector at (209)223-6364.
