ORDER OF THE HEALTH OFFICER OF THE COUNTY OF AMADOR FOR THE CONTROL OF COVID-19 DIRECTING INDIVIDUALS IN THE COUNTY WHO ARE CLOSE CONTACTS OF INDIVIDUALS DIAGNOSED WITH COVID-19 TO QUARANTINE THEMSELVES

UPDATED ORDER: August 17, 2020

Please read this Order carefully. Violation of or failure to comply with this Order is a misdemeanor punishable by fine, imprisonment, or both. (California Health and Safety Code § 120295, *et seq.*; Cal. Penal Code §§ 69, 148(a)(1).)

SUMMARY OF THE ORDER

California is in a State of Emergency because of the Coronavirus Disease 2019 (“COVID-19”) pandemic. The spread of the novel coronavirus that causes COVID-19 is a substantial danger to the health of the public within the County of Amador (“County”). COVID-19 can easily spread between people who are in close contact with one another. This Order is issued based on scientific evidence and best practices as currently known and available to protect vulnerable members of the public from avoidable risk of serious illness or death resulting from exposure to COVID-19. The age, condition, and health of a significant portion of the population of the County place it at risk for serious health complications, including death, from COVID-19. There is growing evidence of transmission risk from infected persons before the onset of symptoms.

Thus, all individuals who contract COVID-19, regardless of their level of symptoms (none, mild or severe), may place other vulnerable members of the public at significant risk. Currently, there is no specific treatment for COVID-19 and no vaccine available to protect against COVID-19 transmission.

To help slow COVID-19’s spread, protect vulnerable individuals, and prevent the healthcare system in the County from being overwhelmed, it is necessary for the Health Officer of the County of Amador to require the quarantine of persons exposed to a person diagnosed with COVID-19. “Quarantine” separates and restricts the movement of persons who, while not yet infected with COVID-19, have been exposed to COVID-19 and therefore may become infectious. This Order addresses quarantine requirements. “Isolation” refers to the separation of persons who have been infected with COVID-19 from other persons.

UNDER THE AUTHORITY OF SECTIONS 101040; 101085; 120130; AND 120175 OF THE CALIFORNIA HEALTH AND SAFETY CODE, THE HEALTH OFFICER OF THE COUNTY OF AMADOR (“HEALTH OFFICER”) ORDERS:

- 1. All individuals who are close contacts, as described in Section 2 of this Order, must quarantine themselves and follow all instructions in this Order and the Amador Public Health (“Public Health”) guidance documents referenced in this Order. Self-quarantine is required because a person with COVID-19 can easily spread the virus to others. Quarantine separates potentially infected individuals from others to prevent the spread of COVID-19.**
- 2. For purposes of this Order, a close contact is an individual who was in close physical proximity with an individual with COVID-19 for a prolonged period during the individual's infectious period. For example, individuals who:**
 - a. Live in or have stayed overnight at the individual’s residence; or**
 - b. Are intimate sexual partners of the individual; or**
 - c. Provide or provided care to the individual without wearing a mask, gown, and gloves.**
 - d. Has been determined by Public Health, in the course of a Contact Investigation, to be a close contact to a case of COVID-19.**
- 3. For purposes of this Order, an individual’s infectious period begins 48 hours before their symptoms began (or, in the absence of symptoms, on the date of a positive test) and ends when they are released from isolation.**
4. For purposes of this Order, an individual exposed to COVID-19 who does not have access to a home or residence for the purpose of quarantine shall not be deemed in violation of this Order if upon notification of being a close contact of another individual who received a positive COVID-19 test, said individual promptly contacts the Amador County Public Health by dialing 209-223-6407 to inform of their close contact status and request a quarantine location, cooperates fully with County Public Health staff, and is otherwise compliant with this Order.
5. This Order is issued in accordance with, and incorporates by reference, the March 4, 2020 Proclamation of a State of Emergency issued by Governor Gavin Newsom, the March 12, 2020 Declaration of a Local Health Emergency by the Health Officer, the March 17, 2020 Proclamation of a Local Emergency by the Amador County Director of Emergency Services, the March 19, 2020 Resolutions by the Board of Supervisors ratifying and extending the local emergency and local health emergency, the Governor’s March 19, 2020 statewide Executive Order to Stay at Home, and the March 13, 2020 declaration of a national emergency by the President of the United States.

6. **Instructions.** All individuals who meet the definition of a close contact of an individual diagnosed with COVID-19 must immediately take the following actions:
 - a. Quarantine themselves in their home or another residence for 14 days. They may not leave their place of quarantine or enter any other public or private place, except to receive necessary medical care or during an emergency that requires evacuation to protect the health and safety of the individual.
 - b. Carefully review and closely follow all requirements listed in the “Home Quarantine Instructions” posted at <https://www.amadorgov.org/services/covid-19> and attached to this Order as Appendix A.
 - c. If a quarantined person becomes sick with fever, cough, or shortness of breath (even if their symptoms are very mild), he or she shall isolate themselves at home and away from other people and follow the “Home Isolation Instructions,” posted at <https://www.amadorgov.org/services/covid-19>, and attached as Appendix B. This is because the person is likely to have COVID-19 and if so, can spread it to vulnerable individuals. If a medical professional examines a quarantined person and determines that his or her symptoms are not due to COVID-19, the person may discontinue home isolation but shall continue to follow the home quarantine order and instructions.
 - d. If a quarantined person is diagnosed with COVID-19, they are to follow the Updated County of Amador Health Officer Isolation Order, issued on August 17, 2020, including “Home Isolation Instructions” posted at <https://www.amadorgov.org/services/covid-19>, and attached to this Order as Appendix B.
7. **Exception.** Notwithstanding the foregoing, health care workers and first responder agency workers who are household members, intimate partners, or caregivers of a person with COVID-19 are not subject to this Order under the following circumstances: i) The worker informs his or her employer about the worker’s close contact to a lab- confirmed case; ii) The worker is asymptomatic, and the worker’s employer determines, based on staffing needs, that the worker needs to report to work; AND iii) The worker returns to work using recommended precautions.
8. The Health Officer may take additional action(s), which may include civil detention or requiring one to stay at a health facility or other location, to protect the public's health if an individual who is subject to this Order fails to comply with this Order.
9. This Order shall go into effect immediately and will continue to be in effect until it is rescinded, superseded, or amended in writing by the Health Officer.
10. Copies of this Order shall promptly be: (1) made available at 810 Court Street, Jackson, CA 95642; (2) posted on the County Public Health website (<https://www.amadorgov.org/services/public-health>); and (3) provided to any member of the public requesting a copy.

11. If any provision of this Order or its application to any person or circumstance is held to be invalid, then the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.

IT IS SO ORDERED:

Rita H. Kerr

Rita H. Kerr, M.D.
Health Officer of the County of Amador

Dated: August 17, 2020

Approved as to form and legality:

Gregory Gillott

Gregory Gillott
Amador County Counsel

Dated: August 17, 2020
