Dear Mrs. Holland:

Congratulations, EDA Seattle Regional Office staff have reviewed and approved the 2021-2025 EDA-funded Comprehensive Economic Development Strategy (CEDS) for Amador County. Attached to this letter is the CEDS Evaluation Checklist complete with comments.

Please note that this CEDS will be considered current for five years. If at any time during this period you wish to update the action plan to support EDA applications for funding, please submit an addendum containing the new information. Both Raul Ramos and I ready and willing to provide assistance with these matters.

We commend your organization for its good efforts, and we look forward to working with you as you continue to address the economic development planning and implementation needs of Amador County.

Sincerely,
