REVIEW OF REDISTRICTING REQUIREMENTS:

Chairman Sweet welcomed the committee and went over basic housekeeping guidelines and also stated his personal preferences on how the committee will operate. Chairman Sweet would like the Committee to move forward with an objective and to have a consensus opinion from the ten of us to present to the Board for their consideration. If we can't reach consensus then the committee will vote on it and go by the majority. Chairman Sweet asked the committee if there were any questions. Hearing none at this time, Chairman Sweet moved forward identifying the task of this committee is to present the Board of Supervisors by the end of October with one or two maps for their consideration and in between that time there are other things to be done. Chuck Iley, Chief Administrative Officer (CAO), mentioned there are some intermediate tasks such, as identifying communities of interest, and also having a joint hearing with the Board to discuss along the way. Chairman Sweet provided an overview of the webinar(s) from The Rural County Representatives of California (RCRC) and The California State Association of Counties (CSAC) to the committee and outlined guidelines he would like to see the committee follow, such as, developing input, following proper processes and striving for outreach/public input.

REVIEW OF CURRENT DATA, CENSUS DESIGNATED PLACES, & COMMUNITIES OF INTEREST:

Ruslan Bratan, Amador County Planner, announced the launch of a website (hub) that he'd created and navigated through the hub with the committee on how it will greatly assist along in their process. Chairman Sweet asked for two volunteers to work with Vice Chair Katva Anderson and come back to the committee with recommendations for community outreach forms that we might use. Members Wayne Garibaldi and Tom Patten were appointed by the Chair.

ADJOURNMENT: Until Wednesday, May 19, 2021 at 6:00 p.m.

Keith Sweet, Chairman, Redistricting Advisory Committee
