Amador COVID-19 Update

Amador County, CA – In observance of the Memorial Day holiday, the OptumServe COVID-19 test site at the Health and Human Services building will be closed on Monday, May 30, 2022. The site will be open again on Wednesday, June 1 and a make-up testing day will be offered on Thursday, June 2, 2022 from 7 AM to 3 PM. Register for no-cost testing at the [lhi.care](https://www.lhi.care) website or by calling 1-888-634-1123. OptumServe may accommodate walk-ins on a limited basis. This site includes the “[Test-to-Treat](#)” format where individuals may get tested, assessed by a medical provider, and (if appropriate) prescribed antiviral pills for treatment. Persons should bring a list of all medications and supplements for assessment by the medical provider. PCR test swab collection is available from OptumServe upon request.

COVID-19 cases are increasing in Amador County as well as the rest of the state. Current COVID-19 data and trends may be found on the [Amador COVID-19 website](#), including 51 known active cases in County residents. Individuals are advised to stay [up-to-date](#) with COVID vaccination, consider wearing a mask when indoors with others, and test before and after travel or gatherings. An [At Home Testing](#) fact sheet is available, and COVID-19 testing options within Amador and the surrounding areas are listed on the Amador County [Testing Sites website](#). Every household may request two more sets of 4 free at-home COVID-19 tests per address by mail, visit: www.covidtests.gov/ or call 1-800-232-0233. Those who test positive that are at elevated risk for severe illness should promptly seek medical advice to see if they qualify for outpatient [treatment](#).
