This Agreement is entered into as of October 26, 2021 by and between the COUNTY OF AMADOR, a political subdivision of the State of California (the "County") and Kurt R. Oneto, ("Owner").

RECITALS

A. Owner owns certain real property (the "Property") situated in the unincorporated area of the County of Amador, State of California, described as follows:

PARCEL ONE:

A parcel of land situated in the County of Amador, State of California, and lying within Sections 2 and 3, Township 6 North, Range 10 East, Mount Diablo Meridian, and being "ADJUSTED COMPLIANCE PARCEL 8 130.29 Acres", as shown and so designated upon that certain official map entitled "RECORD OF SURVEY BOUNDARY LINE ADJUSTMENT for J. ETHEL CECCHETTINI, Surviving Trustee of the Cecchettini Trust dated April 24, 2001" and filed for record in the office of the Recorder of Amador in Book 66 of Maps and Plats at Pages 46 and 47.

See Instrument Number 2021-0001782-00 for more detailed legal land description.

Owner desires to construct an agricultural structure on the Property and has applied for an Agricultural Building Permit Exemption.

B. Owner understands and agrees that the exempted agricultural structure can only be used as provided in Amador County Code Chapter 15.04 and that any violation of the conditions under which the Agricultural Building Permit was granted may void the exemption.

C. As a condition of issuance of the Agricultural Building Permit Exemption, the County requires that the restrictions on the use of the structure and all further obligations of Owner set forth in this Agreement run with the land and be made a matter of public record so that any future purchasers of the property will be made aware of them.

D. Owner is aware and agrees that this agreement will be recorded in the Amador County Recorder's Office.

NOW, THEREFORE, the parties agree as follows:

1. Recitals. The parties acknowledge the truth of the recitals set forth above, which are incorporated into this Agreement.

2. Restriction on Use of Agricultural Structure. Owner agrees that in no event shall the exempted agricultural structure be used for any purpose other than to house farm implements, hay, grain, poultry, livestock or horticultural products. The structure shall not be a place of human habitation or a place of employment where agricultural products are processed, treated, or packaged. Employees may only enter the structure on an occasional basis to store or remove equipment or otherwise perform tasks of a limited duration that require infrequent access to the structure. The structure shall not be a place used by the public.

3. Additional Obligations of Owner.

3.1 Owner understands and agrees that despite an exemption from obtaining a permit, the exempted agricultural structure shall be constructed in compliance with Chapter 15.04 of the Amador County Code, and all other applicable laws of Amador County, the State of California and any federal laws that may apply.

3.2 Owner understands and agrees that any violation of this Agreement or other condition under which the Agricultural Building Permit Exemption was granted may, at the County's sole discretion, void the exemption.

3.3 Owner acknowledges that if the Agricultural Building Permit Exemption becomes void, Owner shall be required to remove the structure or fully permit the structure (building permit application, plan check, inspection process, etc.) and pay all fees then in effect.

3.4 Owner agrees to indemnify the County of Amador and its agents, officers and employees from any claim, action or proceeding against the County or its agents, officers and employees arising from performance or non performance of its obligations under this Agreement.

4. County's Remedies Upon Default. Owner acknowledges that any violation of this Agreement shall constitute a public nuisance. Upon any violation of this Agreement, the County may pursue any remedies provided by statute or ordinance. In addition to all other remedies provided by law, Owner further agrees that the County or any governmental entity having jurisdiction may obtain immediate injunctive relief against any use of the agricultural structure that is inconsistent with this Agreement.

5. Covenant Running with the Land. Owner agrees that the restrictions and obligations of Owner set forth in this Agreement shall be perpetual and run with the land, binding future owners of the

Property, unless and until the exempted agricultural structure is either (i) removed from the property, or (ii) fully permitted by the County.

6. No Waiver of Remedies. Failure to exercise any remedy provided for in this Agreement shall not, under any circumstances, be construed as a waiver of the remedy.

7. Entire Agreement. This Agreement contains the entire agreement of the parties respecting its subject matter, and supersedes any and all prior discussions, representations, and oral or written agreements, if any, between the parties.

On behalf of the United Auburn Indian Community, Tribal Historic Preservation Department, thank you for the notification and opportunity to consult on the ZC-22; 6-1 Oneto project. UAIC would like to consult pursuant to AB52 on this project as we have identified a tribal cultural resource on the parcel and would like to discuss appropriate avoidance and protection measures for the resource.

Please confirm receipt of this email for our records.

Thank you,

LEAD AGENCY CONTACT: Krista Ruesel, Planner, planning@amadorgov.org, 810 Court Street, Jackson, CA 95642, 209-223-6380.

The consultation may be done by email, letter, phone, or in person. It may cover potential significant adverse effects to tribal cultural resources within the geographic area traditionally and culturally affiliated with the tribe. This may include discussion concerning the type of environmental review necessary, the significance of tribal cultural resources, the significance of the project's impacts on the tribal cultural resources, and, if necessary, project alternatives or the appropriate measures for preservation or mitigation that the tribe may recommend. The consultation does not limit the ability of the tribe to informally submit information to Amador County regarding the significance of tribal cultural resources, the significance of the project's impact on tribal cultural resources, or any appropriate measures to mitigate the potential impacts.

Please contact me at your earliest convenience in order to arrange a date, time, and location for the consultation or if you have any questions concerning this proposed project or what is being requested in this letter. I may be reached at the above address, phone number, and email.
