

Amador's Kids Smile, a dental health program, is a collaborative formed to improve access to preventive dental health services for children in Amador County.

DOES YOUR CHILD NEED DENTAL CARE?

Big Smiles is a privately owned, school-linked mobile dental service offered at each of Amador's school sites.

Big Smiles visits are usually twice a year, during regular school hours. They accept ALL dental insurances, Medi-Cal too! Dental services offered include: dental cleanings, application of fluoride varnish, sealants, fillings, and other restorative services if needed.

AMADOR'S KIDS SMILE CAN HELP!

- Do you need help finding a dentist for your child?
- Do you have to go out of town for dental appointments and can't afford the travel costs?
- Do you have dental insurance but cannot afford the co-pay?

Amador's Kids Smile program offers services to help families find a dental provider for their child and access resources that may be able help offset costs necessary to get you there.

FREE DENTAL ASSESSMENTS

Amador's Kids Smile program offers free dental health screenings to preschool, Kindergarten and 3rd grade students, including Kindergarten Oral Health Assessments, (KOHA).
