## Post-Election Updates

November 14, 2022

The next update will be posted on Wednesday November 16th by 10:00 am. As of 4:00 pm today we have 51 ballots to tabulate. Ballots can still be received until tomorrow as long as they are postmarked or received on November 8th. We have 23 with no signatures and 37 where the signature does not match pending. We have reached out to those voters and let them know they have until 2 days prior to certification to return the letters that they were sent or come into our office. Our plan is to certify the election on Monday November 21st. Please let me know if you have any questions or concerns.

Thank you,
