**Please state briefly your qualifications and why you are interested in serving on this committee (use additional sheet of paper, if necessary):**

My husband and I were both raised in Amador, left the county for school and came back, choosing to make Amador our home. We are intentionally raising our three children here. That decision has motivated my involvement in our local schools, community organizations, youth programs, and my position on Sutter Creek City Council. I am committed to helping build the community I want my children to live in. The cornerstone of such a community is the health and well-being of its residents. My experience has cemented my belief that a successful community is built on the engagement of its members. Amador is full of families like mine, who live here intentionally and share a deep commitment to our community which leads to Amador's greatest strength, our trademark generosity. Amador's sustainability relies on our people to create and collaborate especially given our rural status and limited resources. The Community Action Agency model is an ideal tool to achieve the maximum contribution to our community and its residents. I would be honored for the opportunity to contribute to ATCAA's efforts.
