## **Amador Public Health Update: OptumServe COVID Test Site Closure**

**Amador County, CA** – Next week will be the last week for the OptumServe testing site at the Health and Human Services Building. The site will be closed in observance of the Martin Luther King Day holiday on Monday January 16, 2023, open Wednesday and Friday from 7 AM to 3 PM, then permanently closed after January 20, 2023. OptumServe is a resource provided by the State of California and those sites with low testing volume are being decommissioned.

Free at-home test kit ordering is available for each household through the [covid.gov](https://www.covid.gov) test website. To order at-home test kits, visit [covid.gov/tests](https://www.covid.gov/tests) or call 1-800-232-0233. Additionally, Medicare & Medi-Cal allow pickup of free test kits at pharmacies, and private health insurance allows for 8 at-home tests per month. If you test positive for COVID, even at-home, seek medical advice as soon as possible so you can start treatment to avoid getting very sick. Talk to your doctor, call the California COVID Hotline at 1-833-422-4255, or visit the [covid19.ca.gov/treatment](https://www.covid19.ca.gov/treatment) website to find free treatment.
