

COVID-19 Antigen Test Kit Resources

1. Every U.S. household is eligible to order 4 free at-home test kits online (as of January 2023). Use this link: <https://www.covid.gov/tests>.
2. Many insurance companies (such as Blue Cross/Blue Shield, Kaiser Permanente, Medi-Cal, Medicare, Sutter Health, etc.) offer free at-home test kits and/or reimbursement for purchased, over the counter, at-home test kits. Consult your specific plan administrator for additional details and available options.
3. Local sources for test kits are also available. ***Bring your Medicare, Medi-Cal or insurance card and inquire at the Pharmacy counter*** to learn more about available options. Some local sources include:
 - a. [CVS](#) – (209) 223-3784, 515 CA-49, Jackson, CA
 - b. [Safeway](#) – (209) 257-0786, 12110 Industry Blvd., Jackson, CA
 - c. [Walgreens](#) – (209) 267-5128, 475 CA-49, Sutter Creek, CA
 - d. [Walmart](#) – (209) 223-5193, 10355 Wicklow Way, Jackson, CA 95642
4. There are many online resources for purchasing COVID-19 Antigen Test Kits. Search using “COVID-19 Antigen At-Home Test Kit.”
5. Public Health has a limited supply of at-home tests for uninsured individuals while supplies last.

An [At Home Testing fact sheet](#) is available, and COVID-19 testing options within Amador and the surrounding areas are listed on the [Amador County Testing Sites](#) website. If you test positive for COVID, even at-home, seek medical advice as soon as possible so you can start treatment to avoid getting very sick. Talk to your doctor, call the California COVID Hotline at 1-833-422-4255, or visit the covid19.ca.gov/treatment website to find free treatment.

Please note this list is not exhaustive and only includes some local and online available resources that may change over time.
