Employer Reporting of Workplace COVID-19 Outbreaks

Please fill out completely and fax to (209)223-1562

*Workplace COVID-19 outbreak reporting is no longer mandatory in California for non-healthcare settings. Voluntary workplace outbreak reports may be submitted and Public Health staff are available for consultation about outbreak mitigation measures. Please refer to **CalOSHA** for current employer COVID-19 Prevention regulations.*

Business information:

Date of report:

Name of reporter:

Position/title:

Phone number of reporter:
