Good Morning Planning Department,

I see Mr. Beatty is out until April 10, 2023, and am sending the below email to you for action. Thank you.

After review of the [Resubmission of Tentative parcel map application PM 2903 Del Rapini](#) (Packet), the wastewater portion in the conditions of approval item number 15 on Packet page 6 is missing. AWA takes no exception to the language as stated currently regarding wholesale water, but requests that the language for wastewater also be included per the Early Consultation Application Referral AWA Response letter dated February 3, 2023. Below is a sample of what the language should read as:

15. Water and Wastewater Service: Prior to recordation of the parcel map, the developer shall obtain a "Wholesale Water Will Serve Commitment" from the Amador Water Agency sufficient to serve the intended use(s) of the development. THE PLANNING DEPARTMENT SHALL MONITOR THIS CONDITION.

Prior to recordation of the parcel map, the developer shall obtain a "Wastewater Will Serve Commitment" from the Amador Water Agency sufficient to serve the intended use(s) of the development. THE PLANNING DEPARTMENT SHALL MONITOR THIS CONDITION.

Please ensure that both wholesale water and wastewater portions are included in the parcel map conditions. If you have any questions, please let us know. Thanks, and have a great day!

Kind Regards,

Lucas Carthew
