To: Planning Commission Members

From: Lena Steward

[15933 Muller Rd., Plymouth, Ca 95669](#)

[bigindiancreekranch@gmail.com](mailto:bigindiancreekranch@gmail.com) (sent from my neighbor's computer as mine is down)

I am very much in support of the current proposed ordinance before the Commission. I spend quite a bit of time at Eagle's Nest and have several friends and acquaintances there.

My history with Eagle's Nest goes back to the 1980's when my friend and neighbor, Gary Flanders, was one of the original developers working on this dream project of his.

Thank you for considering my email.

Sincerely,  
Lena Steward
