Hello Ruslan,

California Department of Transportation (Caltrans) appreciates the opportunity to review and comment on the Eagles Nest Zoning Ordinance Amendment (ZOA).

The proposed project is approximately Four (4) miles from State Route (SR) 104.

The proposed project will not impact the SR based on the project description and distance to the nearest SR. Caltrans has no additional comments. However, Caltrans requests to be included in the review process for any improvements for the encroachment to SR 104.

Let me know if you have any questions.

Thanks,

Paul Bauldry
