

ORDINANCE NO. 1646

The Board of Supervisors of the County of Amador ordains as follows:

SECTION I. A new Chapter 3.58 shall be added to Title 13, REVENUE AND FINANCE, of the Amador County Code, which shall read as follows:

“Chapter 3.58

PUBLIC WORKS AGENCY FEES

Sections:

- 3.58.010 Public Works Review Fees.
- 3.58.020 Miscellaneous Public Works Fees.

3.58.010 Public Works Review Fees. A. Each applicant to the County shall pay a fee for review services performed by the County Public Works Agency for parcel map review, subdivision map review, California Environmental Quality Act evaluation services, and review of requests for deviations from Chapter 15.30. The fee for these services shall be in the amount of \$77.00 per hour of time expended on the review services. This hourly rate is the direct cost incurred by the County based on the hourly rate of the personnel performing the services, and includes allowable overhead costs. These fees shall not be applicable to map reviews that are initiated by the Board or by an advisory agency. Fees for pre-application conferences will also be charged at the hourly rate specified in this paragraph.

B. At the time of making application, each applicant shall make a deposit to be applied against public works review fees in the following amounts:

Request for Chapter 15.30 Deviations	\$750.00
CEQA evaluations	\$1,500.00
Subdivision maps	\$2,000.00
Parcel maps	\$1,500.00
Conditional Use Permits	\$500.00

C. In the event the cumulative accrued charges exceed the above minimums, the County shall submit periodic billings to the applicants for costs incurred in excess of the minimum deposits required. Interest of one and one-half (1 1/2) percent per accounting period (twenty-eight (28) day cycle) compounded each accounting period shall be added to the unpaid balance due to any account which has not been paid within twenty-eight (28) days of the date it was billed. All fees to date must be paid current prior to consideration of the application at each stage of the review process (i.e., Technical Advisory Committee meetings, Planning Commission consideration, consideration by the Board of Supervisors, if applicable, determination by department head, if applicable, and final approval of the documents by the County Surveyor in the case of subdivision maps and parcel maps). In the event the actual total charges are less than the minimum deposit amounts, the County shall reimburse the payer the difference between the minimum deposit and the actual total charges.

3.58.020 Miscellaneous Public Works Fees. A. Fees for permits issued under Chapter 10.44 of the Amador County Code shall be as follows:

Single Trip	Application charge	\$81.00
	Permit Fee	\$16.00
Annual	Application charge	\$92.00
	Permit Fee	\$90.00

In addition to the regular permit fee, if special services are necessitated by unusually large or heavy loads requiring engineering investigations, tree trimming, or other services, such special services may be billed separately for each permit at the rate of \$77.00 per hour.

B. Fees for Encroachment Permits issued under Chapter 12.10 of the Amador County Code shall be in the amount of \$625.00. Each applicant shall post a deposit of \$200.00. If the Public Works Agency determines upon completion of a site visit that an existing encroachment meets standards, then the deposit will be returned less a site visit charge of \$78.00.”

SECTION II. Section 10.44.050 of Chapter 10.44 of Title 10 of the Amador County Code is deleted in its entirety.
