**Dear Property Owner/Customer:**

This notice, dated June 29, 2017, explains proposed rates for refuse collection in County Franchise Area No. 3, served by ACES Waste Services, Inc. (ACES). These proposed rates will be recommended for adoption by the Amador County Board of Supervisors at the public hearing described in this notice. Rate adjustments are derived by using a waste industry-specific Refuse Rate Index (RRI). The RRI utilizes five (5) separate indices: labor, diesel fuel, vehicle replacement, vehicle maintenance, and CPI. This notice is being sent to provide you information about proposed new rates for residential and commercial refuse collection, and to provide information on procedures to be followed if you wish to protest the proposed rate increases.

**Notice of Public Hearing**

The Amador County Board of Supervisors will consider a rate increase of 3.56%, as described below, at a public hearing on August 22, 2017, at 10:30 a.m., or as soon thereafter as may be heard by the Board of Supervisors, in the Board Chambers, located at 810 Court Street, Jackson, California 95642. If approved, the proposed increase will be effective on September 1, 2017.

**Why Change Rates?**

Refuse collection rates in Franchise Area No.3 were previously adjusted by (minus) 0.48% on September 1, 2016. The proposed rate increase is indicated as the RRI (similar to a Consumer Price Index) reflects cost adjustments required for waste industry-specific items such as: wages & benefits, diesel fuel, vehicle maintenance and vehicle replacement.
