

**BEFORE THE BOARD OF SUPERVISORS OF THE
COUNTY OF AMADOR, STATE OF CALIFORNIA**

IN THE MATTER OF:

RESOLUTION IN SUPPORT OF 811)
CALIFORNIA SAFE DIGGING)
AWARENESS DAY)

RESOLUTION NO. 15-073

WHEREAS, the 811 “Call Before You Dig” program is a vital public education and awareness program that will help keep Californians safe, and education is the key to promoting safe digging practices; and

WHEREAS, excavators, homeowners, and professional contractors can save time and money while making California’s communities a safer place to live and work by dialing 811 in advance of all digging projects; and

WHEREAS, utility lines are often buried only a few inches underground, making them easy to strike and cause damage and harm even during shallow excavation projects; and

WHEREAS, more than 170,000 underground utility lines are struck each year in the United States and approximately 33 percent of all digging damages in the United States result from not calling 811 before digging; and

WHEREAS, undesired consequences, such as service interruption, outages, damage to public and private infrastructure and property, damage to the environment, personal injury, and death, are risked by failing to call 811 before digging or safely marking utility lines; and

WHEREAS, as California’s economy continues to recover from the recession and the state’s economic recovery stimulates new construction, new construction requires supporting infrastructure, and California’s underground utility infrastructure is jeopardized by unintentional damage caused by those who fail to call before digging; and

WHEREAS, the free notification service provided by Underground Service Alert of Northern California and Nevada has dramatically reduced the number of accidents causing property damage, personal injury, and interruption of vital services; and

WHEREAS, California public agencies should enforce California Government Code 4216 regarding safe excavation practices, permitting and civil penalties.

NOW THEREFORE BE IT RESOLVED, Amador County proclaims August 11th, 8/11 as California Safe Digging Awareness Day and encourages all excavators, homeowners, and professional contractors to call 811 in advance of all digging projects.

The foregoing resolution was duly passed and adopted by the Board of Supervisors of the County of Amador at a regular meeting thereof, held on the 11th day of August 2015, by the following vote:

AYES: Brian Oneto, John Plasse, Louis D. Boitano, Richard M. Forster, and
Lynn A. Morgan

NOES: None

ABSENT: None

Brian Oneto, Chairman, Board of Supervisors

ATTEST:

JENNIFER BURNS, Clerk of the
Board of Supervisors, Amador County,
California
