Dear Property Owner/Customer:

This notice, dated June 20, 2014, explains proposed rates for refuse collection in County Franchise Area No. 3, served by ACES Waste Services, Inc. (ACES). These proposed rates will be recommended for adoption by the Amador County Board of Supervisors at the public hearing described in this notice. Rate adjustments are derived by using a waste industry-specific "Refuse Rate Index (RRI). The RRI utilizes five (5) separate indices: labor, diesel fuel, vehicle replacement, vehicle maintenance, and CPI. This notice is being sent to provide you information about proposed new rates for residential and commercial refuse collection, and to provide information on procedures to be followed if you wish to protest the proposed rate increases.

Notice of Public Hearing

The Amador County Board of Supervisors will consider a rate increase of 4.19%, as described below, at a public hearing on August 12, 2014 at 10:30 a.m., or as soon thereafter as may be heard by the Board of Supervisors, in the Board Chambers, located at 810 Court Street, Jackson, California 95642.
