RE: Variance Application V-23;9-1 Smith

Dear Nicole Sheppard

I write on behalf of the Buena Vista Rancheria (BVR) of Me-Wuk Indians, Ione, CA. regarding the notification received by this office September 07, 2023. The notification references Variance Application V-23;9-1 Smith. We appreciate your effort to contact us and wish to respond.

After review of the notification and examination of the property using the Google Earth mapping application, it is determined BVR has no objection to commencement of the project.

If Tribal Cultural Resources (TCR) should be inadvertently encountered, during the project, Buena Vista Rancheria requests additional notification so steps may be taken to protect and preserve them.

Respectfully,

Ivan Senock

THPO/Cultural Resources Director

Buena Vista Rancheria of Me-Wuk Indians.
