## SUMMARY

R1: Chains/Cables required unless you have Snow Tires (All-Weather satisfies this requirement. Just check your tire for either a M+S, M/S, or snowflake insignia to confirm. M stands for Mud/S stands for Snow.)

R2: If you have a 4-wheel-drive vehicle, no need for chains/cables. However, if not you must have chains/cables on vehicle.

R3: Extremely heavy snow fall! All vehicles (regardless if 4-wheel-drive) are required to have chains on tires.
