INDEMNIFICATION

Project: Buena Vista Rancheria Government Building(s)

In consideration of the County's processing and consideration of the application for the discretionary land use approval identified above (the "Project") the Owner and Applicant, jointly and severally, agree to defend, indemnify, and hold harmless the County of Amador from any claim, action, or proceeding against the County to attack, set aside, void or annul the Project approval, or any action relating related to the Project approvals as follows:

1. Owner and Applicant shall defend, indemnify, and hold harmless the County and its agents, officers or employees from any claim, action, or proceeding against the County or its agents, officers or employees (the "County") to attack, set aside, void or annul the Project approval, or any prior or subsequent determination regarding the Project, including but not limited to determinations related to the California Environmental Quality Act, or Project condition imposed by the County. The Indemnification includes, but is not limited to, damages, fees, and or costs, including attorneys' fees, awarded against County. The County in its sole discretion may hire outside counsel to handle its defense or may handle the matter internally. Indemnification also includes paying for the County's defense if it elects to hire outside counsel. Indemnification also includes compensating the County for staff time associated with the litigation. The obligations under this Indemnification shall apply regardless of whether any permits or entitlements are issued.

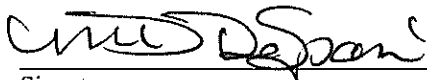

2. The County may, within its unlimited discretion, participate in the defense of any such claim, action, or proceeding if the County defends the claim, action, or proceeding in good faith.

3. The Owner and Applicant shall not be required to pay or perform any settlement by the County of such claim, action, or proceeding unless the settlement is approved in writing by Owner and Applicant, which approval shall not be unreasonably withheld.

IN WITNESS WHEREOF, by their signature below, Owner and Applicant hereby acknowledge that they have read, understand, and agree to perform the obligations under this Indemnification.

Use Permit-UP-23; 11-1**

Dear Mr. Beatty:

The California Department of Transportation (Caltrans) appreciates the opportunity to review and respond to the Use Permit Application UP-23; 11-1 for the placement of a 2,160 square-foot modular government office building in the Special Use District "X" with Agriculture-General "AG" general plan designation.

The proposed project site is approximately 6.10 miles from State Route (SR) 88 at 3575 Coal Mine Road in the community of Lone. The Assessor Parcel Number is 012-130-035.

Caltrans at this time has the following comments:

Outdoor Advertising

It is important to note that any advertising structure visible to the National Highway System (NHS) is subject to the provisions of the California Outdoor Advertising Act outlined in Business and Professions Code Section 5200 et seq. Any advertising structure that displays off-premise commercial copy visible from the NHS will require a permit from the Office of Outdoor Advertising (ODA). Any advertising structure that only advertises goods and services available on-premise will not require a permit from ODA, provided it adheres to the provisions of Business and Professions Code Section 5272 and 5274 and California Code of Regulations 2243 and 2246. Each of the proposed advertising structures should refrain from operating in any of the conditions outlined in Business and Professions Code Section 5403. For questions related to the ODA permit application process please visit our website at: <http://www.dot.ca.gov/trafficops/oda/>.

Caltrans suggests Amador County continue to coordinate and consult with Caltrans to identify and address potential cumulative transportation impacts that may occur from this project and other developments near this location. This will assist Caltrans in ensuring that traffic safety and quality standards are maintained for the traveling public on existing and future state transportation facilities.

Encroachment Permits

If any future project activities encroach into Caltrans Right-of-Way (ROW), the project proponent must submit an application for an Encroachment Permit to the Caltrans District 10 Encroachment Permit Office. Appropriate environmental studies must be submitted with this application. These studies will include an analysis of potential impacts to any cultural sites, biological resources, hazardous waste locations, and/or other resources within Caltrans ROW at the project site(s). For more information, please visit the Caltrans Website at: <https://dot.ca.gov/programs/traffic-operations/ep/applications>

TAC
I have two questions regarding Item # 2 .
What is the purpose of the B.V. modular office building ?
Was a TEIR prepared under CEQA and if not , why not ?

Hi Nicole,

California Department of Transportation (Caltrans) appreciates the opportunity to review and comment on the AMA-88-PM__ Buena Vista Rancheria Tribal Government Building Early Consultation Application Referral Use Permit-UP-23; 11-1 Project.

The proposed project site is approximately 6.10 miles from state route (SR)88 at [3575 Coal Mine Road](#) in rural Amador County.

Caltrans has no additional comments based on the distance from our fiscality and our response letter on 12/20/2023. However, Caltrans requests that all future developments at this location be included in the review process.

Please let me know if you have any questions.

Thank you,

Paul Bauldry
