Jackson, CA 95642

Subject: Meeting June 11, 2024
Agenda Item 2.
Response from Lockwood Fire

Attention: John Gonzolves, Chairman

This response was requested by the Advisory Committee.

On May 31, 2024 the CalTrans Aeronautics - Aviation Safety Officer and his Chief personally explored the Emergency Helicopter Landing Site at the Lockwood Fire Protection District Station 152 on Shake Ridge Rd above Hale Rd.

They did not find that the 90ft tower would interfere with the landing site.

I will attend the meeting should there be added concern.

Respectfully,

A handwritten signature in black ink that reads "JoAnne McLachlan".

JoAnne McLachlan
Vice President
Lockwood Fire Protection District
