Voting in California

CALIFORNIA VOTER'S CHOICE ACT

Established by **Senate Bill 450 (2016)**, the California Voter's Choice Act (VCA) modernizes elections in California by allowing counties to conduct elections under a model which provides greater flexibility and convenience for voters. This election model allows voters to choose how, when, and where to cast their ballot by:

- Mailing every voter a ballot
- Expanding in-person early voting
- Allowing voters to cast a ballot at any vote center within their county
- Providing secure ballot drop off locations throughout the county

United States Senator

There are two U.S. Senate contests on the November 5, 2024, Presidential General Election ballot.

The first contest is the regular election for the full 6-year term ending January 3, 2031.

The second contest is a special vacancy election (the current officeholder is temporarily filling a vacancy) for the remainder of the current term ending January 3, 2025.
