From: El Dorado Irrigation District 2890 Mosquito Road

Placerville, CA 95667

County Clerk **Amador County** 810 Court Street Jackson, CA 95642

Project Title: Silver Lake Boat Launch Repairs

Project Location - Specific: USGS 7.5' Caples Lake Quadrangle- Township 10N, Range 17E, Section 32

Project Location - City: Kirkwood

Project Location - County: Amador County

Description of Project: The El Dorado Irrigation District (District) proposes to make minor repairs to the Silver Lake Dam Boat Launch. The concrete pad of the boat launch is damaged in several areas and presents a safety problem to users. Project activities will include placement of concrete to fill cracks, smooth uneven surfaces, and repair broken edges of the concrete pad. Due to the current lake level, the concrete pad is exposed and above the waterline of the lake so all repairs would be conducted in dry conditions. All work would occur on the existing boat launch concrete pad and there would be no alteration to the bed or bank of the lake. Work is scheduled to be performed in October 2024 by District staff.

Name of Public Agency Approving and Carrying Out Project: El Dorado Irrigation District

Exempt Status:

 \boxtimes Categorical Exemption: Class 1 – Existing Facilities (CCR, Title 14, Sec. 15301)

Reasons why project is exempt: This Project consists of the maintenance of an existing facility. None of the applicable exceptions to this exemption, as identified under CCR, Title 14 section 15300.2, apply to this project, including an area of critical concern, cumulative impact, significant effect due to unusual circumstances, scenic highways, hazardous waste sites, and historical resources.
