NOTE: All deposit amounts are subject to increase if the Executive Officer determines that the magnitude of the project justifies the increase.

- A) All deposits are initial payments toward the total cost of processing (“project cost”). Project cost is defined as staff time plus materials. Staff charge-out rates are listed below and include personnel costs plus a percentage of operating expense and administrative overhead. Materials include, but are not limited to, mailing costs, charges for advertisement of hearings, petition reviews, as well as fees charged for project reviews by affected agencies.
- B) Applicants are also responsible for payment of appropriate State Board of Equalization fees, County Surveyor fees, County Elections Department costs, Environmental Document preparation fees, mapping, Fish and Game fees, and County Recording Fees. A schedule of processing fees for the State Board of Equalization is included in the LAFCO application packet.
- C) Staff time will be monitored against the deposit of file with LAFCO. If the cost of

processing an application begins to exceed the deposited amount, additional deposits will be required. Any hearing on the application may be continued pending receipt of the additional deposit.

- D) If extensive staff assistance is required prior to receipt of an application, a deposit will be required at the time the work is requested.
- E) Absent compelling circumstances, the Commission will not normally adjust or waive deposits and/or fees.
- F) All final bills must be paid by the applicant prior to filing of the Certificate of Completion or during other times during the LAFCO process as deemed appropriate by the Executive Officer.
- G) Charges for Reconsideration of a LAFCO Determination are the responsibility of the requesting party.
- H) Deposits on file with LAFCO which exceed the cost of processing the application by \$25 or more will be refunded after LAFCO completes its final filings.
- I) Pre-Application Expenses: LAFCO will also charge its pre-application staff time spent conducting research, reviewing environmental and other documents and participating in the process as the lead agency or responsible agency, as part of the processing costs.
