H1N1 Vaccine Clinic for High Risk Groups

Thursday, Nov 19th: 3:00 to 5:30 pm

This clinic will be **open to all individuals that fall into the H1N1 high risk groups**. Those high risk groups are the following:

- Individuals age 6 months – 24 years
- Pregnant women
- Individuals who live with or provide care for infants younger than 6 months (e.g., parents, siblings, and daycare providers)
- Health-care and emergency medical services personnel
- Individuals age 25 – 64 years who have medical conditions that put them at higher risk for influenza-related complications.

Vaccine supply is limited.

All clinics will be held at Public Health, located at 10877 Conductor Blvd. This will be a **FREE** clinic – there will be no charge for this vaccine.

For further information, call Amador County Public Health Flu Line at 223-6697 (English), 223-6642 (Spanish) or Public Health at 223-6407.
